

Pencil Madness

To save your drawing, click on the Publish button. A popup window like the one below will open. All identifying info is optional. Click on the Send to Gallery button to save your drawing and display it on the Pencil Madness site.

The screenshot shows a popup window titled "You can fill the additional info:". It contains three input fields: "your name:", "image title:", and "your email:". A red arrow points from the word "Optional" to these fields. Below the fields, there is a text prompt: "Leave your email if you want to get a free PencilMadness account. We may send you an invitation after we'll review your drawing!". At the bottom, there are two buttons: "Send to Gallery" and "Save to Disk". Below the "Send to Gallery" button, there is text: "send to online gallery and share it on facebook". Below the "Save to Disk" button, there is text: "save it on your local disk". A red arrow points from the text "1. Click the Publish button" to the "Publish" button in the drawing toolbar below the popup. Another red arrow points from the text "2. Click here" to the "Send to Gallery" button.

You can fill the additional info:

your name:

image title:

Leave your email if you want to get a free PencilMadness account.
We may send you an invitation after we'll review your drawing!

your email:

Optional

2. Click here — **Send to Gallery** **Save to Disk**

send to online gallery and share it on facebook save it on your local disk **1. Click the Publish button**

You will then get the confirmation window below. Click on the Go To Gallery button to open a popup window showing your drawing and then copy the URL from your browser.

The screenshot shows a confirmation popup window. It has a green header bar with the text "Congratulations! Your image is now in the gallery.". Below the header, there are three buttons: "Share image on facebook", "Save to Disk", and "Go to Gallery". A red arrow points from the text "Click here to open popup window and then copy the URL" to the "Go to Gallery" button.
