

## ONLY BEAUTY

By Katrina Relf

*I see your face.*

*It holds no fear for me – only a sense of wonder.*

*I see your gentleness –*

*And through that gentleness – only beauty.*

*The beauty of your face, of your hair, of your eyes.*

*And in those eyes I see such compassion and love,*

*More love than I have ever known –*

*A love that would sacrifice all .....*

*There is a sadness about you.*

*I see it in the depth of your eyes,*

*I feel it in the depth of my soul.*

*You can only dream,*

*Dream of a life that can never be.*

*Forever bound by a world with no sunshine, no rain,*

*Because my world is unable to see past its prejudice,*

*Cannot see the beauty beyond the differentness.*

*You found me on that dark and dreadful night.*

*You saved my life with your love.*

*Through your strength I have found strength.*

*And I love you ...*
